JERSEY GAMBLING COMMISSION

Bookmaking: Class II Licence

Report on Fees

2026

The Commission has a duty under Article 46 of the Gambling (Jersey) Law 2012 to determine and publish fees payable to it for:

- a) the performance by the Commission of any of its functions under this Law;
- b) the submission of an application, report or other document to the Commission under this Law; and
- c) the annual continuance of a licence, permit, approval or registration granted under this Law.

This Notice sets out application and annual fees for a Class II Bookmakers Licence in accordance with Articles 12, 13 and 22 of the Gambling (Jersey) Law 2012.

In deciding the level of fees, the Commission will assess an appropriate level of regulatory oversight and consider the following factors:

- the element of risk;
- the impact on the Island in case of company or product failure, and
- the level of gambling as a percentage of total business.

The Commission will also generally seek to discuss its proposed fees with those directly affected and, if there is a recognised trade body, will consult with that body. In the absence of a recognised trade body the Commission may simply publish its Notice of Proposed Fees, which are then adopted 29 days later.

Licence Fee: Bookmaking Licence Class II

The licence fee covers the cost of regulatory oversight. Oversight generally means a series of inspections, to assess compliance with published policies. Regulatory oversight is also based on maintaining a trust based relationship with the industry and the Commission expects all its licensees to self-report a breach, rather than wait for the regulator to discover it.

Annual Review

NB: In order that fees do not erode with inflation there will be an **annual** review of fees. For the express exclusion of doubt, the Commission will not raise fees following such review beyond that set by the RPI figure published by the Government of Jersey without undertaking a further consultation. Undertaking such a review does not bind the Commission to alter these or any other fees.
