

Ancillary Services: Hosting Services Providers

Report on Fees

2026

The Commission has a duty under Article 46 of the Gambling (Jersey) Law 2012 to determine and publish fees payable to it for:

- (a) the performance by the Commission of any of its functions under this Law;
- (b) the submission of an application, report or other document to the Commission under this Law; and
- (c) the annual continuance of a licence, permit, approval or registration granted under this Law.

The purpose of this notice is to prescribe fees for permits granted to gambling hosting service providers as a consequence of the provisions of the Gambling (Ancillary Services and Miscellaneous Provisions) (Jersey) Regulations 2012.

In deciding the level of fees, the Commission will assess an appropriate level of regulatory oversight and consider the following factors:

- the element of risk;
- the impact on the Island in case of company or product failure, and
- the level of gambling as a percentage of total business.

The Commission will also generally seek to discuss its proposed fees with those directly affected and, if there is a recognised trade body, will consult with that body. In the absence of a recognised trade body the Commission may simply publish its Notice of Proposed Fees, which are then adopted 29 days later.

Application Fee: Hosting Services Providers Permit

Applications across most ancillary services are relatively similar and information requested by the Commission will be broadly the same. The Commission requires company details, applicant details, together with details of the directors and officers that influence decision-making. Financial stability, criminal sanctions and business experience are also investigated.

The Commission operates on a cost-recovery basis and the fee is ordinarily expected to cover the time taken to process the application, undertake an inspection of the premises and interview, if required, any of the directors or officers of the applicant. It should also fund the drafting of a report and recommendation on the merits of the application.

Permit Fee: Hosting Services Providers Permit

A permit lasts for 5 years. The fee is an annual fee and covers the cost of regulatory oversight of the permit. The fee is payable in advance, annually.

Notice of Fees

The Commission has decided to adopt the following fees:

Application Fees:	£600
Permit Fee:	£5,385
Alterations to the Permit:	£305ⁱ

Late payment Fee: 10% of the permit fee, pro-rata

Payment for permit fees (using permit holder name or invoice number as a reference) should be sent by bank transfer to:

The Jersey Gambling Commission; HSBC; Sort Code: 40-25-34 Account Number: 52474700

Late Payment Fee

Article 22(5) of the Law provides for a 28 day 'grace' period, after the start or subsequent annual anniversaries of a licence, and Article 22(6) revokes the licence at the end of the 28 days grace if the annual fee is not paid.

Article 22(6) does not preclude the payment of fees owed to the Commission.

The Commission will consider applying a late permit fee under its powers under Article 46(4) on a case by case basis.

If the Commission, after considering all the facts, applies a late payment fee, the fee will be set at 10%, applied pro-rata for each 28 days from the anniversary of the licence.

Applying for a New Permit

A Permit lasts for 5 years and if a Hosting Service Provider applies for a new Permit before the expiry of the current one, the Commission may not necessarily require the same degree of information to pursue the new application.

The Commission will examine what information it already holds and consider whether the known applicant has a good compliance record and there has been no material or significant change to the corporate structure of company since the last application process. If there has been no significant alteration to the corporate structure and the company has proved to be compliant with the Permit conditions, the Commission may, at its discretion, waive or reduce any application fee for a new Permit. [Article 13]

Annual Review

NB: In order that fees do not erode with inflation there will be an **annual** review of fees. For the express exclusion of doubt, the Commission will not raise fees following such review beyond that set by the RPI figure published by the Government of Jersey without undertaking a further consultation. Undertaking such a review does not bind the Commission to alter these or any other fees.

Document History Log

Date	Change Description
16th December 2013	Inception of permit and adoption of fees.
13 th December 2022	Fees revised.
December 2023	Fees revised in line with Jersey RPI to June 2023.
December 2024	Fees revised in line with Jersey RPI to June 2024.
October 2025	Fees revised in line with Jersey RPI to June 2025.

i Such as a change of registered address, company name or the inclusion of new working premises.
