

JERSEY GAMBLING COMMISSION

Report on Charitable Gambling Fees

With the introduction of the Gambling (Charitable and Membership Gambling) (Jersey) Regulations 2012, the Jersey Gambling Commission aimed to make charitable and social gambling an easier process to be undertaken by non-profit organisations. After consultation in 2023, the Commission decided to implement an increase in line with RPI.

After consultation the Jersey Gambling Commission has adopted the following fees:

	Registration with Schedule of Events for the Calendar Year	Permit per Event
Up to 3 times in one calendar year, prize pool not exceeding £1,500 per event.	Exempt	Exempt
Over 3 times in one calendar year or prize pool between £1,500 and £12,000 in one lottery event or £1,500 in one bingo event; but not exceeding an accumulated prize pool of £12,000 in bingo prizes or £30,000 lottery prizes in a calendar year.	£30	-
Any event exceeding a single prize pool of £12,000 or exceeding an accumulated prize pool of £30,000 (up to £500,000) per calendar year.		£215
Any event where the accumulated prize pool is over £500,000.		£680

Amendment Fees

An amendment fee for a Permit is **£25**. An amendment usually concerns alterations such as a change of Promoter or an adjustment of the event's name; either scenario would require a physical revision of the actual Permit. There are no amendment fees for a Registration.

Payment for permit fees (using organisation's name or invoice number as a reference) should be sent by bank transfer to:

The Jersey Gambling Commission; HSBC; Sort Code: 40-25-34 Account Number: 52474700

Annual Review

NB: In order that fees do not erode with inflation there will be an **annual** review of fees. For the express exclusion of doubt, the Commission will not raise fees following such review beyond that set by the RPI figure published by the Government of Jersey without undertaking a further consultation. Undertaking such a review does not bind the Commission to alter these or any other fees.

It should be noted that Registrations are per calendar year, whereas a Permit is per event. Once a Registration Certificate is issued the society can run as many events as they have recorded on their schedule and have had approved by the Commission.
