### Race Track Licence

#### Report on Proposed Fees

##### Authority

The Commission has a duty under Article 46 of the Gambling (Jersey) Law 2012 to determine and publish fees payable to it for:

- a) *the performance by the Commission of any of its functions under this Law;*
- b) *the submission of an application, report or other document to the Commission under this Law; and*
- c) *the annual continuance of a licence, permit, approval or registration granted under this Law.*

The purpose of this notice is to propose annual fees for a Race Track Licence in accordance with the provisions of Article 22 of the Gambling (Jersey) Law 2012.

In deciding the level of fees, the Commission will assess an appropriate level of regulatory oversight and consider the following factors:

- the element of risk;
- the impact on the Island in case of company or product failure, and
- the level of gambling as a percentage of total business.
- 

The Commission will also generally seek to discuss its proposed fees with those directly affected and, if there is a recognised trade body, will consult with that body. Upon agreement, the Commission will publish a Notice of Proposed Fees, which is then adopted 29 days later.

##### 2013 Fees

Fees for licences awarded under the Gambling (Jersey) Law 1964 in respect of Race Track Licences were as follows:

Race Track Licence	£500.00
--------------------	---------

##### Proposed Fees

The proposed fee for a Race Track Licence awarded under the Gambling (Jersey) Law 2012 remains unaltered:

Race Track Licence	£500.00
--------------------	---------

#### The Social Responsibility Fund

The holder of a Race Track Licence, as a facilitator of betting with the public, is required to make a donation to the Social Responsibility Fund. This donation will not be less than £50 and should be paid within the year the Race Track Licence covers. Please refer to the Policy Statement for the Conduct, Regulation and Licensing of Track Licences.

## Late Payment Fee

Article 22(5) of the Law provides for a 28 day 'grace' period, after the start or subsequent annual anniversaries of a licence, and Article 22(6) revokes the licence at the end of the 28 days grace if the annual fee is not paid. Article 22(6) does not preclude the payment of fees owed to the Commission. The Commission will consider applying a late permit fee under its powers under Article 46(4) on a case by case basis.

If the Commission, after considering all the facts, applies a late payment fee, the fee will be set at 10%, applied pro-rata for each 28 days from the anniversary of the licence.
